

EPDM - FDA STEAM HOSE

FOOD GRADE

Structure:

White, Smooth EPDM Rubber Resistant to Steam Rubber Compound Complying with FDA Standards

Reinforcement - High Tensile Textile Plies

Cover - Blue EPDM Rubber, Smooth, Heat, Abrasion, Ozone And Weather Resistant.

Applications:

Saturated Steam Cleaning (Upto 164°C) And Hot Water Washdown Service In Dairies, Food Processing Plants And Paper Manufacturing Industries.

Temperature Resistance:

-40°C Approx to +164°C Approx

Quality :

Food grade quality complying with FDA standards.
Heat, Abrasion, Ozone and weather resistant.
